

ROTUNDA

# CUSTOMIZED SERVICE FACILITY SOLUTIONS

**FORD ROTUNDA DEALER EQUIPMENT & SERVICES PROGRAM  
OFFERS VAST EXPERIENCE FOR YOUR STRATEGIC  
ADVANTAGE**

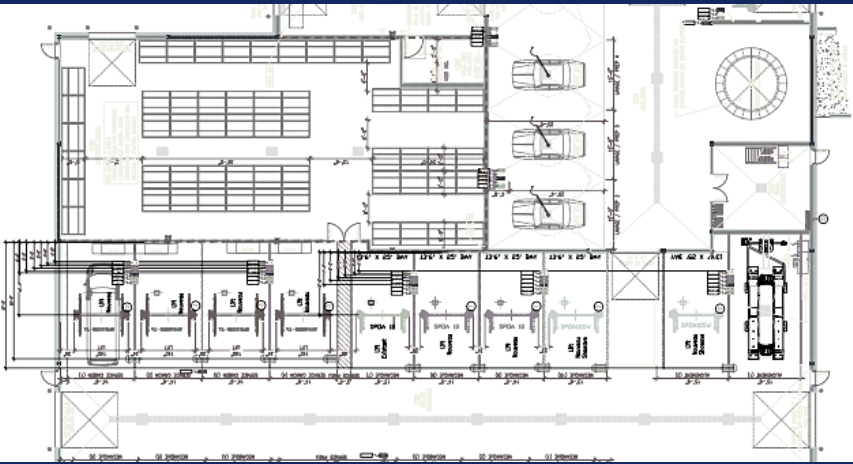

We have been working with new franchised automotive dealers for over 40 years and developed special expertise in the planning, coordination and oversight of all aspects related to facility solutions.

We offer proven experience, expertise and contacts to support your growing dealership requirements at a competitive price, including financing as needed. Whatever your project, we have everything you need!

# CONCEPT & DESIGN

## UNPARALLELED SUPPORT - EXCEPTIONAL SERVICE

From initial discussions, we listen to your requirements and support your vision by offering valuable time tested solutions for your consideration. With Ford Rotunda Dealer Equipment & Services program, the process begins by LISTENING to your needs and your vision, and then we organize and facilitate the project so that it is fully compliant and comes to life. Every project is different and customized to your particular needs.

## A VAST NETWORK OF TRUSTED SPECIALISTS

From initial discussions, we listen to your requirements and support your needs. As your program supplier and vested partner, we work with the top vendors in every field, ensuring a complete facilities management package. We can provide architects, designers, interior and exterior lighting, construction and equipment. You will optimize your space, increase profits, reduce technician turnover and improve customer satisfaction.

**We offer the most respected brands and first class vendors at competitive pricing. Product offerings include:**

- Vehicle Lifts
- Tech benches
- Parts department shelving
- Automated car washes
- Parking lifts
- Photo booths
- Tire Changers / Wheel Balancers
- Wheel Alignment Systems
- Air Compressors and Systems
- Oil Systems
- Exhaust Systems
- High Pressure Wash Systems
- Overhead Garage Doors
- Monitored security systems
- Plus any custom service item required
